with the mining and the global warming and the...

CHS: Well, it's all--

SM: [OV] [UI]--

CHS: --relative to the ability of the species. I mean, it's all, you know, it's just...

SM: --Ah...

CHS: I-it's, the species that's just what's--

SM: [OV] --We're the first to hyper-exploit.

CHS: [OV] --all species do. Well, we're supposed to be more intelligent and-and be a little bit more--

SM: [laugh]

CHS: --a little bit more self-aware. We are individually...

SM: I-I-see, that's-see--

CHS: [OV] For a large part, collectively we're just a bunch of blind, deaf idiots.

SM: --That--that's [UI]. That you would destroy the earth through global warming so you could have a bigger, newer SUV to drive to Wal-Mart. That's fucking insanity. It's insanity. There's nothing...you can't call it ignorance or nothing. It's fucking--you have--you don't even have a...y-your brain is so twisted and fucked.

CHS: Well, if there was 10,000 Steve McCrae's out there shooting up...fucking whatever, you know...

SM: It would stop.

CHS: Uhm...uh, transformers and mines and all that happy horse shit. Then guess what? They--yeah, there'd be something going on. There'd be, uh, you know, people would start holy shit, what the hell's going on?

SM: If I had--

CHS: [OV] --But there's not.

SM: --If there was ten of me right now...and I had one month...I think I could bring...the United States to its knees. That's how easy it is to do. That's how--it's
